VICTORY FOR BENNETT!

Judge Harbeson, Democrat, Says His Vote Must Be Counted

Outcome of the Attempt to Wrong Him Out of 60 Votes in Fleming County

Judge James P. Harbeson of the Fleming Circuit Court has followed Judge Fryer of the Harrison Circuit Court in deciding that certain votes cast for Judge Bennett in their respective counties must be counted as they were cast.

In Fleming county the election officers of Grange City Precinct failed, either purposely or otherwise, to fill out the blank totaling the vote in the back part of the pollbook, although they had filled out and signed four duplicates, one of which was placed in the hands of each

MURPHY, the Jeweler.

Charles Paul was held up and robbed of his watch last night near the Bottling Works in Commerce street. The holdup was reported to the police and a search made. Superintendent Rosser of the County Infirmary was reached by phone, and soon after arrived with the bloodhounds, the dogs taking a trail leading to the L. and N. Roundhouse, where two tramps were found asleep. There was not sufficient grounds to make an arrest, so the hoboes were not taken in charge. So far there is no clue as to who did the job.

Telephone No. 43. G. W. GEISEL, OPPOSITE SPAN HOUSE.

Precinct officer, showing a majority of 60 for Judge Bennett.

The County Commissioners refused to count Judge Bennett's vote, the two Democratic Commissioners getting up a little after midnight, finishing their report, and sending it to Frankfort without the signature of the Republican Commissioner.

Through his Attorneys Judge Bennett began proceedings before Judge Harbeson to compel a count of the vote legally cast for him.

The case was partially heard in Flemingsburg last Saturday, being adjourned to this city for continuation last afternoon.

At the conclusion of the arguments last night, Judge Harbeson decided the matter in Judge Bennett's favor.

As in the Harrison county case, Mr. Kehoe's Attorneys will go before a Judge of the Court of Appeals with the hope of having the Lower Court overruled.

Judge Bennett's Attorneys in his injunction suits are Judge James H. Hazelrigg, ex-Chief Justice of Kentucky, Hons. W. H. Wadsworth, E. L. Worthington and W. D. Cochran of this city, Judge F. H. McCartney and Hon. W. G. Dearing of Flemingsburg.

Mr. Kehoe is represented by Judge J. J. Osborne of Cynthiana, Messrs. B. S. Grannis Joseph Power and Jack Babbitt of Fleming and Mr. C. Burgess Taylor of this city.

If the Harrison and Fleming decisions stand as rendered by two honest Democratic Judges, the vote of the District will look like this—

	Kehoe.	Bennett.
Bath	183
Boyd	611
Bracken	420
Carter	920

Robertson	301

MRS. JOHN R. RYAN.

The wife of Mr. John R. Ryan, formerly of this city, died at their home in Alabama last Sunday.

She was an unusually devout and lovely character and her death will be sincerely mourned.

MRS. PARIS FROGGE

Mrs. Minnie Frogge, wife of Mr. Paris Frogge and daughter of Mr. Ezekiel Campbell, died yesterday at 3 p. m. at her home in the Shannon neighborhood, after an illness of pneumonia.

She was in the twenty-third year of her age, and is survived by her husband and one child, eleven days old.

The funeral will take place from Shannon Church at 2 o'clock this afternoon, and the remains will be interred in the Cemetery at that place.

CHARLES TAYLOR

Charles Taylor, aged about 20, died Saturday of blood poisoning at Hazel Green, where he was attending school.

His remains were brought to his home near Wedonia Monday, and the funeral occurred from the Mill Creek Christian Church, the services being conducted by Rev. Will Cord, assisted by Rev. Blakemore.

The interment was in the old Dobyns burying-ground.

MAYSVILLE SHOULD BE PROUD.

Mr. A. L. Merz was the only buyer from Maysville attending the greatest carpet and rug sale ever held in the United States. It is estimated that nearly six million dollars worth of rugs and carpets were sold at this auction sale and it should be of great pride to the people of Maysville that Merz Brothers were represented there by Mr. A. L. Merz.

They bought considerable quantities of these goods and it will be probably two weeks before these goods arrive.

Merz Bros. say that not a person should buy a rug or a carpet until their sale starts. Then come to the sale and compare the goods and prices and then you will know why Merz Bros. are the leaders in Maysville.

Some good farms yet for sale. JOHN DULEY.

CORN WANTED.

Good white ear, 5,000 bushels.

RAINS BROS.

THE BURGOMASTER.

William P. Cullen will present the merry musical masterpiece, "The Burgomaster," at The Washington soon, with Oscar L. Figman, an actor of great natural humor, as "The Burgomaster," and Charles Sharp as the "Doodle"; Olga von Hatzfeldt the "Willie," and Harriet Sheldon the Theosophist. There is a large and perfectly trained chorus. The production is an extremely handsome one, and the costuming is richer than "The Burgomaster" has ever had before.

The Why, Where and When won't interest you—the vital point from your view is the fact we have bought some Carpets and Rugs under conditions that enable us to sell them from one-third to one-half under prevailing prices.
The stock includes Wilton and Axminster Carpets, also Wilton and Axminster Rugs of all sizes from a 36-inch to a 9 x 12 foot rug. The variety of colors and designs must be seen,—no description would do justice to them. Nor will we append prices for only by comparison with the carpets and rugs can you appreciate them.
Any one alert to embellish the home at little cost should not miss this sale. Fully aware of the shrewdness of Maysville shoppers who tolerate no false statements, we say advisedly such an offering of Carpets and Rugs has never occurred in local retailing. The proof is easily made—call upon us.

Isn't it strange that the Kentucky Election Law provides so many ways by which a dishonest or stupid election officer can prevent the counting of the vote as the voters voted?

If Kentucky should follow the example of the Goebel Monument Commission and build a monument to each one of her election thieves, the state would resemble a vast cemetery.

If Kentucky's Democratic Court of Appeals doesn't quit turning down Democratic election thieves and putting honestly-elected Republicans in office; and if Kentucky's Democratic Court of Appeals doesn't quit rendering decisions in favor of the Standard Oil Trust, the first thing it knows Kentucky's Democratic Court of Appeals will incur the displeasure of the Goebel branch of Kentucky Democracy.

For goodness sake, won't THE LEDGER let up on Grange City and Judge O'NEAR's back-number decision long enough to quote the law on certifying election returns?—Evening Bulletin.

Not on your life.

But "Judge O'NEAR's back-number decision" is good; it was the decision of the Court of Appeals; and it has been supplemented by several other like decisions, proclaimed by Democratic members of that Court.

And, by-the-way, did it ever occur to you that these decisions supercede "the law on certifying election returns?"

We'n's don't want to go 'round here quotin' no old dead laws like you'ns.

If PARKER had been elected, what a rollickin' Weather Guesser he could have had in UREY WOODSON.

UNDER the caption, "Seven Ages of Women," the old bachelor of The Cynthiana Democrat prints this—

Says she's sixteen when she's twelve.
Says she's eighteen when she's fourteen.
Says she's eighteen when she's twenty-five.
Says she's nineteen when she's thirty.
Says she's twenty-one when she's forty-five.
Says she's twenty-eight when she's fifty-five.

Jim deserves to get one of those nineteen-year-olds who will plant her frigid feet right in the middle of his back on an arctic night.

A LOT of useless argument might be avoided if the Republicans would candidly admit that JIM KENOE has 'em beat.—Evening Bulletin.

Right you are.

But the Republicans are not going to admit what is not so.

Both men submitted their claims to the voters, and the most voters voted for Judge BENNETT.

THE LEDGER is perfectly willing to abide by a fair count of the votes legally cast; and you'll have to!

Now, let's talk about Turkey stuffed with Oysters, Cranberry Sauce, Pumpkin Pie, and—Yum, yum!

JUDGE HAYS, in the contested election case, decided that J. P. ADAMS, Republican, of Magoffin county, received a majority of the votes in the race for Commonwealth's Attorney in the Beattyville District, but declared the office vacant on account of Magoffin county being taken out of the District by the last Legislature. So, whenever a Kentucky District changes from Democratic to Republican, the Legislature changes the District. It's about time, by the way, that a few Republican counties were again lopped off this Congressional District and a heavy Democratic county added—even if they have to annex Brown county, Ohio, which is decidedly Democratic.

Young Colored Girl of Near Shannon Missing Since Sunday

Julia Gillim, colored, who resides in the Shannon neighborhood, was in the city yesterday in quest of her fifteen-year-old daughter who disappeared Sunday night and as yet her whereabouts are unknown.

The mother called to her aid the assistance of the police, and notwithstanding a thorough search was made it resulted in disappointment.

The girl is said to be pretty in form and features and three-fourths white.

A young white man named Watson, who claimed this city as his home, has been working in the neighborhood and is said to have fallen desperately in love with the girl.

Sunday he hired a buggy from a livery stable here and drove out and was seen near the Church, where, it is said, he was joined by the young woman and together they headed for Maysville.

The poor old mother is much distressed as to the fate of her child, and thinks some evil misfortune has befallen her.

The police are still on the hunt of the man who is thought to have decoyed her away from home and with whom she is now consorting.

THE DOCTOR

SENT MR. HAYLAND TO COLORADO FOR HIS HEALTH

Says His Life Was Saved by Vinol.

People of Maysville will be interested in the recovery of Mr. Hayland, as so many of our friends are continually being sent to one health resort or another as the only means of recovery.

In writing of his cure from Denver, Colo., Mr. Hayland says: "I believe that Vinol, the new cod liver oil preparation, has saved my life and I wish to mention my case, as it may be of value to others similarly affected."

"I was sent to Colorado with what my doctor said would develop into tuberculosis, and was so weak I was unable to work at my profession. Since taking Vinol my appetite has returned, I sleep well, feel very much stronger and am sure I shall soon be restored to perfect health. I cannot recommend Vinol too strongly, as it has done so much for me when all other medicines had failed."

Our well known druggist, Mr. John C. Pecor, says: "The reason Vinol accomplishes such re-

markable results when all other tonics and emulsions of cod liver oil fail is because it contains in a concentrated form all of the healing, curative elements of cod liver oil, actually taken from fresh cods' livers, but without oil or grease, and it does not upset the weakest stomach."

Mr. Pecor also freely offers to return money paid him for Vinol in every case where it fails to cure chronic coughs, colds, bronchial troubles, incipient consumption, to make rich, red blood, increase the appetite, cure stomach troubles, give strength and renewed vitality to the aged, build up the run down, tired and debilitated, and make the weak strong.

Surely any person in Maysville who is in need of such a remedy should try Vinol, as it is a simple preparation with remarkable curative powers and won't cost you a cent if it does you no good.

J. C. PECOR, Druggist.

Flemingsburg was well represented here yesterday by the following gentlemen: J. H. Hendricks, W. J. Hudson, F. H. McCartney, H. C. Kehoe, J. D. Pumpelly, Alvin Kendall and Paul Heflin.

Colonel Robert G. Lynn was up from Cincinnati yesterday. He denounced the story in Sunday's Enquirer as false and said there was not a particle of truth in the statement.

KICKERS' CORNER

If any one at any time for any reason has any cause to "kick" in any way at anything of any kind, here's the place to say his say. The door is open—walk right in and help yourself, free gratis and for nothing—but don't make your "kicks" too long—it's the short, quick felices that count—and cut.
The name of the kicker must accompany the kick, or it'll be kicked into the waste-basket.

It has long been a well recognized fact that in local politics a nicely regulated "machine" existed in Mason county Democracy. It is now said this instrument is to be used to control the nominations in Saturday's Primary. The request of a candidate for one of the most important nominations that he be allowed to name challengers and inspectors to represent his interests in the polling places was refused by official authority until the said authority was advised by eminent legal talent, within the party council, that his refusal was at variance with law. The spirit of Tammany seems to invade all sections. The "machine" must be kept intact at all hazard.

You Can Be Cured.

No. 11 Cedar Terrace, Hot Springs, Ark., April 22, 1908.

When I was first married I found that my strength and health were gradually diminishing. I became nervous and irritable, and was in bed a week and sometimes ten days every month, and had intense bearing down pains. My husband had the best physician for me and I used his medicine for nearly four months, but I gradually grew worse, had less strength, and finally, I was unable to leave my bed at all.

A friend who was calling on me brought me a bottle of Wine of Cardui and was so loud in its praise that I told her that I would take it to please her.

I was surprised and pleased that before I had used the bottle I really felt better, so I kept on using it. Eight bottles brought back my lost health and strength, and I have not had a sick day in six months.

Etta Finnegan

TRUSTEES, ST. ANDREW'S SOCIETY.

WINE OF CARDUI

Mrs. Finnegan had little hope of relief because she knew that every time she had those spells of menstrual suffering with attendant bearing down pains the was weaker. And every month the pain was growing more severe.

But Mrs. Finnegan was cured by Wine of Cardui. She is now so well that there are few women who would not be glad to have the health she has. And any woman who has those dreaded bearing down pains can have the same relief.
